Richland Academy is excited to announce its first ever Youth Jazz Orchestra. This class consists of a hybrid large-ensemble/combo-program for students in middle through high school. We will provide students with the opportunity to explore their individual skills within a supportive and relaxed ensemble environment, with a concentration on exploring big band, jazz styles, standard repertoire and beginning improvisation. Students will receive an instructor evaluation to determine readiness.

## RAA WOMEN'S CHORUS

Whether you're an accomplished singer or seeking to develop and refine your vocal abilities, you'll find a place in our choir. It's designed to be a multi-generational chorus that's accessible to females 15 years of age and older, and will help students to grow emotionally and socially through friendships and mentoring. We hope to foster and promote self-esteem that allows students to grow intellectually, culturally, and musically through rehearsals and performances.
