Improvisation or Songwriting Workshop-

For Intermediate to Advanced students (Teens and Adults**)

Tuesdays June 5-August 7 (**9 Weeks**)

Time: 6:30-7:30 pm

Tuition: \$135

In this class students will take their guitar playing to the next level by learning techniques for improvisations including melodic patterns or sequences that will help you not to sound like you are playing scales all the time. It will expand your possibilities and create more freedom in your playing. Music theory concepts will be applied to both improvising and songwriting. Students will also work together to practice writing songs and developing skills they can take with them and expand on outside of the class room.
