

Private Lessons

We offer [private lessons](#) in voice, piano, brass, woodwinds, strings*, and percussion for students of all ages and all abilities. Registration is offered year round.

The one-on-one private music lessons given at Richland Academy are taught by specialized and credentialed teachers of the highest caliber in their various instruments. Private lessons ensure that the student is able to progress at his or her own pace and has the undivided attention of the teacher.

Group Lessons

We offer a variety of classes for students ages 18-months to 80 years, including [Music for Little Mozarts](#), [KidzRock](#), [Group Piano](#), [Group Ukulele](#), [Group Guitar](#), and [more!](#)

Music is one of the most social art forms and we strive to create an internal artistic community for students and their families to be a part of. Group classes create a fun environment and creative experience in which the students can express themselves

Whether you are an accomplished singer or are seeking to develop and refine your vocal abilities, you will find a place in our choir. It's a multi-generational chorus that will allow students to grow emotionally and socially through friendships and mentoring. Our hope is to foster and promote self-esteem and self-worth that allows students to grow physically, intellectually, culturally and musically through rehearsals and performances.

Funding for this program has been provided by The Women's Fund of the Richland County Foundation. Thanks to their support and generosity we are able to offer this exciting opportunity to women and girls in our community, **free of charge**.
