Arts and Crafts

Do you love trying new styles of craft projects and learning new things? Try taking a class to learn a brand new crafting technique! We offer affordable [craft classes](#) for all skill levels. Whether your interests include jewelry making or knitting, you will find a fun and rewarding class at Richland Academy.

Group Classes (Ages 5 and Up)

We offer a variety of group [art classes](#) including Fun with Crafting for Elementary and Middle School students and Exploring the Elements of Art for Middle School students. Over the course of 8 weeks, students in *Fun with Crafting* will explore paper crafts, painting techniques, weaving, clay, and string art pieces. They will study these techniques while creating a few masterpieces of their own to take home!

In *Exploring the Elements of Art*, students will spend the course of 8 weeks sketching, painting, and working with 3d forms. We will work on separate projects in this style to take home, and a collaborative piece that will be displayed at The Academy.

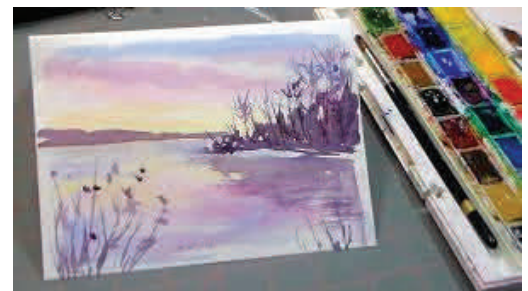

Private Lessons

Enjoy customized 1-on-1 private art instruction and allow your creativity to burst forth! Receive artistic guidance from a professional artist as your teacher and discover the power of you inner-artist. Private art lessons are available for all levels (total beginners to seasoned artists) and all ages, 5-105!!!

In your private lessons you will:

Receive individualized instruction created just for you, learn artistic techniques that support your unique needs and authentic self-expression, develop your artistic voice and feel fulfilled through artistic expression, tap into your creativity with the help of our nurturing and caring instructors, focus on the artistic medium of your choice, such as painting, drawing, realism, abstraction, and more!

For Those 60+

We are privileged to offer free classes for students 60 and over thanks to sponsorship through a grant provided by the Area Agency on Aging.

(*Some classes may require a small materials fee)

We offer classes for both beginner and experienced visual art students.

Whether you're picking up a paint brush for the first time, or you interested in polishing your existing art skills, we have the perfect class for you!

[Beginner Art](#) is a place to explore your creative side. Students start with basic drawing techniques and explore other mediums such as pastels, acrylics, and water colors. This class lays an excellent foundation that will allow you to draw or paint almost anything you choose.

[Intermediate Art](#) is for the artist who has already taken the beginner class or has a prior history as an artist. Students will continue to explore and develop their inner artist while strengthening their basic skills and experiencing new mediums.

[Alternate Mediums](#) focuses on multiple media and content concerning composition understanding. You will not only sharpen your art making skills but also broaden your knowledge of the structure of visual aesthetics.

Assistance & Scholarships

Richland Academy is very passionate about giving our students the opportunity to participate in the arts regardless of financial limitations. We offer financial aid in means of both [tuition assistance and scholarships](#). For the past 25 years we have been pleased to offer almost \$25,000 a year in [tuition assistance](#) to our students. Additionally, our music task force has created a comprehensive package of [scholarships](#) that are sustainable, and will be made available to students in any place of their music careers.

We offer assistance 3 times throughout the year. Please feel free to
