WHO CAN APPLY FOR TUITION ASSISTANCE?

Any student currently attending Richland Academy of the Arts or any new student who is interested in participating in our arts programming.

Students receiving assistance must be enrolled, attend classes or lessons regularly, and show progress and interest.

HOW DO I APPLY FOR TUITION ASSISTANCE?

To be considered for tuition assistance, please submit the tuition assistance application along with pages 1 and 2 of your most recent tax return.

Renewal of tuition assistance each year is not automatic; therefore, it is necessary to reapply each school year for the fall, spring, and summer semesters.

You may apply for assistance in person, by mail, or by email to pmadore@richlandacademy.com. It is important that you include proof of household income with your application. Your application must include a copy of the first page of your most recent 1040, 1040EZ, or 1040A, AFDC, SSI or unemployment information. Do not send originals, only copies of the originals.

HOW IS TUITION ASSISTANCE AWARDED AND HOW OFTEN?

Income based tuition assistance is limited up to a maximum of \$2,500 per school/per family and is based upon financial need. Tuition assistance awards are based upon household size and income according to the Federal guidelines. A 25% minimum and 80% maximum tuition funding is available.

WHAT DOES MY ASSISTANCE PAY FOR?

Tuition assistance is used to pay for tuition only and is not applied to other fees (*i.e. Dance Recital Costumes, Recital Fees, Dance Company Fees, Art Materials, Music Books*). All class participants are responsible for all clothing and supply costs associated with classes.

Student accounts must be current at all times. Students with a balance at the beginning of the new semester cannot receive tuition assistance for the following semester. Students will not be able to participate in performance opportunities if their balance is not current or paid in full at the end of the semester.

CAN I LOSE MY ASSISTANCE?

We are pleased to offer assistance to students and families; however, Richland Academy of the Arts reserves the right to terminate assistance for students whose attendance, attitude, and effort are considered unsatisfactory.

Students are not allowed more than **2 excused absences** and no more than **1 unexcused absences per 16-week semester**.

Student's performance will be evaluated by faculty and staff members once throughout each 16-week semester. Student's evaluations are available for review. An unsatisfactory evaluation results may result in loss of assistance.

HOW WILL I KNOW IF I RECEIVE ASSISTANCE?

All applicants will receive an official award letter or phone call from Richland Academy of the Arts with notification of approval or denial of tuition assistance. **The applicant has 35 days from the date of the official award letter to register for classes/lessons.** After this date the tuition assistance is withdrawn and no longer valid. Families must notify Richland Academy of the Arts if they wish to reapply for assistance. Please note, upon re-application the assistance award may be less than the original assistance award granted by Richland Academy of the Arts.

Please note that a positive decision regarding tuition assistance does not automatically enroll a student in class/lesson or reserve a space for a student in a class/lesson. It is the applicant's responsibility to enroll in the desired class. Enrollment at Richland Academy of the Arts classes is on a first-come basis and some classes have a required minimum enrollment that must be met.
