

Dance Class Descriptions & Dress Codes

Creative Movement, Fundamentals, and Combo

Each of these classes provides an introduction to spatial and body awareness, rhythm, coordination, and socialization skills that encourage creative expression and focus on imagination.

Creative Movement is for the youngest dancer. Students in this class receive not only an introduction to ballet but also to socializing in a class setting.

Fundamentals is a beginning study of ballet. This class is open to both dancers who have and have not taken ballet. Fundamentals builds the foundation and expand the knowledge of ballet vocabulary and movement.

Combo Includes all of the elements of Fundamentals with the addition of beginning tap. Students learn the foundation and expand upon the vocabulary and movements of ballet and the technique and rhythms of tap.
