Please **DOWNLOAD AS A PDF**, print the document, complete the form, and return by mail, email, or in person. If you do not have access to a printer, we have hard copies available at the Front Desk. Please let us know if you have any questions. Thank you!

WHO CAN APPLY FOR TUITION ASSISTANCE?

Any student currently attending Richland Academy of the Arts or any new student who is interested in participating in our arts programming. **Students receiving financial aid must be enrolled, attend classes or lessons regularly, and show progress and interest.**

HOW DO I APPLY FOR TUITION ASSISTANCE?

To be considered for Tuition Assistance, please submit the financial aid application along with pages 1 and 2 of your most recent tax return. **Renewal of financial aid each year is not automatic**; therefore, it is necessary to reapply each school year for the fall and summer semesters. You may apply for Tuition Assistance in person, by mail, or by email to frontdesk@richlandacademy.com. It is important that you include proof of household income with your application. Your application must include a copy of the first page of your most recent 1040, 1040EZ, or 1040A, AFDC, SSI, or unemployment information. **Do not send originals, only copies of the originals.**

HOW IS TUITION ASSISTANCE AWARDED AND HOW OFTEN?

Income-based Tuition Assistance is limited up to a maximum of \$2,500 per school/per family and is based upon financial need. Financial aid awards are based upon household size and income according to the Federal guidelines. A 25% minimum and 80% maximum tuition funding is available.

WHAT DOES MY TUITION ASSISTANCE PAY FOR?

Tuition Assistance is used to pay for tuition only and is not applied to other fees (***i.e. Dance Recital Costumes, Recital Fees, Dance Company Fees, Art Materials, Music Books***). All class participants are responsible for all clothing and supply costs associated with classes.

Student accounts must be current at all times. Students with a balance at the beginning of the new semester cannot receive financial aid for the following semester. Students will not be able to participate in performance opportunities if their balance is not current or paid in full at the end of the semester.

CAN I LOSE MY TUITION ASSISTANCE?

We are pleased to offer financial aid to students and families; however, Richland Academy of the Arts reserves the right to terminate financial aid for students whose attendance, attitude, and effort are considered unsatisfactory.

Students are not allowed more than 4 excused absences and no more than 2 unexcused absences per 32-week semester. Students' performance will be evaluated by faculty and staff members twice throughout the 32-week semester.

Students' evaluations are available for review. An unsatisfactory evaluation result may result in loss of financial aid.

HOW WILL I KNOW IF I RECEIVE AID?

All applicants will receive an official award letter from Richland Academy of the Arts with notification of approval or denial of financial aid. **The applicant has 35 days from the date of the official award letter to register for classes/lessons.** After this date, the financial aid is withdrawn and no longer valid.

Families must notify Richland Academy of the Arts if they wish to reapply for financial aid. Please note, upon re-application, the financial aid award may be less than the original financial aid award withdrawn by Richland Academy of the Arts. Please note that a positive decision regarding financial aid does not automatically enroll a student in class/lesson or reserve a space for a student in a class/lesson. It is the applicant's responsibility to enroll in the desired class. Enrollment at Richland Academy of the Arts classes is on a first-come basis and some classes have a required minimum enrollment that must be met.

Please keep us informed if you are struggling to make your payments so that we can help you in any way possible.
