Please contact Pam Madore at, pmadore@richlandacademy.com, know if you have any questions. Thank you!

WHO CAN APPLY FOR TUITION ASSISTANCE?

Any student currently attending Richland Academy of the Arts or any new student who is interested in participating in our arts programming. **Students receiving tuition assistance must be enrolled, attend classes or lessons regularly, show progress and interest, and maintain a current account balance.**

HOW DO I APPLY FOR TUITION ASSISTANCE?

To be considered for tuition assistance, please submit the financial aid application along with pages 1 and 2 of your most recent tax return. Tuition assistance does not automatically renew, applicants must reapply each year for the fall and summer sessions. An application may be submitted in person, by mail, or by email to frontdesk@richlandacademy.com. The application must be submitted with proof of household income by including a copy of the first page of your most recent 1040, 1040EZ, or 1040A, AFDC, SSI, or unemployment information. **Do not send originals, only copies of the originals.**

HOW IS TUITION ASSISTANCE AWARDED AND HOW OFTEN?

Income-based tuition assistance is limited up to a maximum of \$2,000 per year/per family and is based upon financial need. Tuition Assistance awards are based upon household size and income according to the Federal Guidelines. A 25% minimum and 60% maximum tuition funding is available.

WHAT DOES MY TUITION ASSISTANCE PAY FOR?

Tuition assistance is used to pay for tuition only and is not applied to other fees (***i.e. Dance Recital Costumes, Recital Fees, Dance Company Fees, Art Materials, Music Materials***). All class participants are responsible for all clothing and supply costs associated with classes.

CAN I LOSE MY TUITION ASSISTANCE?

We are pleased to offer tuition assistance to students and families; however, Richland Academy of the Arts reserves the right to terminate tuition assistance for students whose attendance, attitude, and effort are considered unsatisfactory.

Student accounts must be current at all times. Students with a balance at the beginning of the new semester cannot receive tuition assistance for the following semester. Students will not be able to participate in performance opportunities if their balance is not current or paid in full at the end of the semester or if the balance is more than 60 days past due.

Students are not allowed more than 4 excused absences and no more than 2 unexcused absences per 32-week semester. Students' performance will be evaluated by faculty and staff members twice throughout the 32-week semester.

Students' evaluations are available for review. An unsatisfactory evaluation may result in loss of tuition assistance.

HOW WILL I KNOW IF I RECEIVE AID?

All applicants will receive an emailed official award letter within 10-15 days of due date with notification of approval or denial of tuition assistance. **The applicant has 35 days from the date of the official award letter to register for classes/lessons.** After this date, the tuition assistance is withdrawn and no longer valid.

Families must notify Richland Academy of the Arts if they wish to reapply for tuition assistance. Please note, upon re-application, the tuition assistance award may be less than the original award withdrawn by Richland Academy of the Arts. Please note that a positive decision regarding tuition assistance does not automatically enroll a student in class/lesson or reserve a space for a student in a class/lesson. It is the applicant's responsibility to enroll in the desired class. Enrollment in Richland Academy of the Arts' classes is on a first-come basis and some classes have a required minimum enrollment that must be met.

Please keep us informed if you are struggling to make your payments so that we can help you in any way possible.
